SOVA prepared five short briefing papers for Department of Commerce representatives attending the US-USSR Trade and Economic Council meetings.	
OCR and SOVA talked with Mark Parris, Director of EUR/SOV, Department of State, to get an impression of General Secretary Gorbachev and other Soviet Summit attendees. Mr. Parris attended the Summit as part of the US delegation,	0
OSWR met with the Defense Department's Director of Space and Defense Policy, Dr. Kent Stansbury, to discuss the President's "Open Labs Policy," which will be part of the upcoming round of DST talks in Geneva.	2
OSWR briefed the Director of the Defense Security Assistance Agency and his staff on special materials and technology	

## Research

ACIS has started an effort to write three sets of papers in the next three weeks to better prepare our NST intelligence representatives to deal with any verification topics that might come up during Round IV.

A special NESA Review issue on the Persian Gulf in 1986 has been published. This issue includes individual country articles as well as an overview of the Iran-Iraq war and a political risk assessment of Gulf region countries.

25X1

\_ 2 `\_

SOVA hosted a brown bag lunch discussion of Gorbachev's foreign policy style and agenda.

OSWR, ALA, and the NIO/AL briefed Ambassador Richard T. Kennedy on the recent Memorandum to Holders to the SNIE on Brazil's nuclear program. Ambassador Kennedy had a number of questions regarding how the paper might be used to help him in his forthcoming trip to Argentina and Brazil.
